

Industry	Area of focus	Description
<b>Agriculture, Forestry, Fishing</b>	Farming and hunting	This includes the production of crops, animals and animal products, hunting, trapping and related service activities.
	Forestry and logging	This includes the production of roundwood, sawnwood and wood-based panels, as well as the logging of timber.
	Fishing and aquaculture	This includes the catching, farming, and processing of fish, shellfish and other aquatic animals.
<b>Mining and Quarrying</b>	Coal and lignite	This includes the extraction of coal and lignite.
	Crude petroleum	This includes the extraction of crude petroleum and natural gas.
	Metal ores	This includes the extraction of metal ores, such as gold, silver, iron, copper, lead and zinc.
	Other mining and quarrying	This includes the extraction of stone, sand, and clay, as well as other mining and quarrying activities.
	Support services	This includes activities that support mining and quarrying operations, such as exploration, drilling and mine site preparation.
<b>Manufacturing</b>	Food products	This includes the processing of meat, fish, fruit, vegetables, oils and fats, dairy products, grain mill products, bakery products, sugar, cocoa, chocolate and sugar confectionery.
	Beverages	This includes the manufacture of non-alcoholic and alcoholic beverages.
	Tobacco products	This includes the manufacture of tobacco products, such as cigarettes, cigars, pipe tobacco and snuff.
	Textiles	This includes the spinning, weaving, knitting, dyeing, and finishing of textiles, as well as the manufacture of carpets and rugs.
	Clothes	This includes the manufacture of clothing, fur articles and knitted and crocheted articles.
	Leather products	This includes the tanning, currying, and finishing of leather, as well as the manufacture of luggage, handbags, saddlery, harnesses and footwear.
	Timber products	This includes the sawing, planing, impregnating, preserving of wood, as well as the manufacture of products of wood, cork, straw, and plaiting materials, such as baskets and wickerwork.

Industry	Area of focus	Description
	Paper products	This includes the manufacture of pulp, paper, and paperboard, as well as the manufacture of articles of paper and paperboard, such as corrugated paper and paperboard containers.
	Printing and recorded media	This includes the printing of newspapers, books, periodicals, labels, and other printed matter, as well as the reproduction of recorded media, such as compact discs, DVDs and computer software.
	Coke and petroleum	This includes the manufacture of coke, refined petroleum products and nuclear fuel.
	Chemicals	This includes the manufacture of basic chemicals, fertilisers and nitrogen compounds, plastics, and synthetic rubber in primary forms, as well as the manufacture of pesticides, paints, varnishes, inks, soaps, detergents and other chemical products.
	Pharmaceuticals	This includes the manufacture of basic pharmaceutical products, such as medicinal grade chemicals, biological substances, and botanical products, as well as the manufacture of pharmaceutical preparations, such as tablets, capsules, ampoules and vials.
	Rubber & plastic products	This includes the manufacture of rubber products, such as tyres, tubes, and hoses, as well as the manufacture of plastic products, such as plastic plates, sheets, tubes and profiles.
	Glass, ceramics, cement	This includes the manufacture of glass and glass products, ceramic products, and other non-metallic mineral products, such as cement, plaster, articles of concrete, asbestos and mica.
	Basic metals	This includes the smelting, refining, and casting of ferrous and non-ferrous metals, as well as the manufacture of metal products, such as cutlery, hand tools, cans and buckets.
	Fabricated metal products	This includes the manufacture of structural metal products, tanks, reservoirs, and steam generators, as well as the manufacture of metal products, such as screws, bolts, nuts, rivets and washers.
	Electronic and optical products	This includes the manufacture of computers, peripheral equipment, communication equipment, electronic components and boards, consumer electronics and optical instruments and photographic equipment.
	Electrical equipment	This includes the manufacture of electric motors, transformers, generators, switchgear, batteries and wiring and wiring devices.
	Machinery	This includes the manufacture of general-purpose machinery, special-purpose machinery and parts and accessories for machinery and equipment.
	Motor vehicles	This includes the manufacture of motor vehicles, such as cars, trucks, buses, and motorcycles, as well as the manufacture of trailers and semi-trailers.

Industry	Area of focus	Description
	Other transport equipment	This includes the manufacture of ships, boats, railway locomotives and rolling stock, as well as the manufacture of aircraft and spacecraft.
	Furniture	This includes the manufacture of furniture, such as chairs, tables, cabinets, and beds.
	Other manufacturing	This includes the manufacture of jewellery, musical instruments, sports goods, games and toys, medical and dental instruments and supplies, as well as the manufacture of imitation jewellery and related articles.
	Repair and installation of machinery	This includes the repair and maintenance of industrial machinery and equipment, as well as the installation of machinery and equipment.
<b>Electricity, Gas, Steam, Air Conditioning Supply</b>	Electricity, gas, steam, and aircon	This includes the generation, transmission, and distribution of electric power, as well as the production and distribution of gas and steam and the provision of air conditioning services.
<b>Water Supply and Waste Management</b>	Water collection, treatment, supply	This includes the collection, treatment, and distribution of water for domestic and industrial use.
	Sewerage	This includes the collection, treatment, and disposal of sewage and other waste water.
	Waste collection, treatment, recycling	This includes the collection, treatment, and disposal of waste, as well as the recovery of materials from waste.
	Remediation and decontamination	This includes the remediation of contaminated land and the provision of other waste management services.
<b>Construction</b>	Construction of buildings	This includes the construction of residential and non-residential buildings, as well as the construction of civil engineering projects, such as roads, bridges, and tunnels.
	Civil engineering	This includes the construction of civil engineering projects, such as roads, bridges, and tunnels, as well as the construction of water projects, such as dams and canals.
	Specialised construction	This includes the construction of buildings and civil engineering projects that require specialized skills or equipment, such as electrical, plumbing and insulation work.
<b>Motor Vehicles Sale and Repair</b>	Motor vehicle trade and repair	This includes the wholesale and retail trade of motor vehicles and motorcycles, as well as the repair and maintenance of motor vehicles and motorcycles.
	Wholesale trade	This includes the wholesale trade of goods, such as agricultural raw materials, food, beverages, tobacco, textiles, clothing, and footwear.
	Retail trade	This includes the retail trade of goods, such as food, beverages, tobacco, textiles, clothing, footwear, household appliances and hardware.

Industry	Area of focus	Description
<b>Transportation, Storage</b>	Transport by land and pipelines	This includes the transport of passengers and goods by road, rail, water, and air, as well as the transport of goods via pipelines.
	Transport by water	This includes the transport of passengers and goods by water, such as sea and inland waterway transport.
	Transport by air	This includes the transport of passengers and goods by air.
	Warehousing and transportation support	This includes the provision of warehousing and storage services, as well as the provision of support services for transportation, such as cargo handling and customs clearance.
	Postal and courier activities	This includes the provision of postal and courier services, such as mail delivery and package delivery.
<b>Accommodation, Food Service</b>	Accommodation	This includes the provision of short-term accommodation, such as hotels, motels, and holiday homes.
	Food and beverage services	This includes the production of motion pictures, videos, television programs, and commercials, as well as the creation and distribution of recorded music and other audio recordings.
<b>Information, Communication</b>	Publishing activities	This includes the publishing of books, newspapers, magazines, and other periodicals, as well as the production of directories, maps, and other printed materials.
	Film, music, TV production	This includes the distribution of motion pictures, videos, television programs, and commercials, as well as the distribution of recorded music and other audio recordings.
	Broadcasting	This includes the production and broadcasting of radio and television programs, as well as the provision of satellite and cable television services.
	Telecommunications	This includes the provision of telecommunications services, such as telephone, internet, and data transmission services.
	Computer programming	This includes the development and maintenance of computer software, as well as the provision of computer-related consulting services.
	Information services	This includes the provision of information services, such as news agencies, libraries, and archives.
<b>Financial, Insurance</b>	Financial services	This includes the provision of financial services, such as banking, investment, and credit services, but excludes insurance and pension funding.
	Insurance and pension funding	This includes the provision of insurance and pension funding services, but excludes compulsory social security.
	Financial services support	This includes activities that support financial services and insurance activities, such as investment advice and portfolio management.

Industry	Area of focus	Description
<b>Real Estate</b>	Real estate	This includes the buying, selling, and renting of real estate, as well as the provision of related services, such as property management.
<b>Professional, Scientific, Technical</b>	Legal and accounting activities	This includes the provision of legal and accounting services, such as legal advice, representation, and document preparation, as well as accounting, bookkeeping, and auditing services.
	Head offices and management consultancy	This includes the provision of management consulting services, as well as the activities of head offices.
	Architecture and engineering, testing	This includes the provision of architectural and engineering services, as well as technical testing and analysis services.
	Scientific research and development	This includes the provision of scientific research and development services, such as biotechnology research and development.
	Advertising and market research	This includes the provision of advertising and market research services, such as market analysis and public opinion polling.
	Professional, scientific, technical	This includes the provision of other professional, scientific, and technical services, such as translation and interpretation services, as well as veterinary services.
	Veterinary activities	This includes the provision of veterinary services, such as animal health care and treatment.
<b>Admin and Support Service</b>	Rental and leasing	This includes the rental and leasing of personal and household goods, as well as commercial and industrial machinery and equipment.
	Employment activities	This includes the provision of employment services, such as job placement and temporary staffing.
	Travel agency and related	This includes the provision of travel agency, tour operator, and other reservation services, such as ticketing and reservation services for transportation and lodging.
	Security and investigation	This includes the provision of security and investigation services, such as security guard and private investigation services.
	Building and landscape services	This includes the provision of services to buildings and landscape activities, such as cleaning and landscape design services.
	Business support activities	This includes the provision of office administrative and support services, such as document preparation and payroll services, as well as other business support services, such as translation and interpretation services.
<b>Public Administration</b>	Public administration	This includes the provision of public administration and defence services, such as government administration and military services, as well as compulsory social security services.

Industry	Area of focus	Description
<b>Education</b>	Education and recruitment	This includes the provision of education services, such as primary, secondary, and higher education services.
<b>Health and Social Work</b>	Human health	This includes the provision of human health services, such as hospitals and medical clinics.
	Residential care	This includes the provision of residential care services, such as nursing homes and residential care facilities for the elderly.
	Social work	This includes the provision of social work services, such as family and child services, as well as community food and housing services.
<b>Arts, Entertainment, Recreation</b>	Creative, arts, entertainment	This includes the provision of creative, arts, and entertainment services, such as performing arts and amusement park services.
	Libraries, museums, cultural	This includes the provision of libraries, archives, museums, and other cultural services, such as historical sites and zoos.
	Gambling and betting	This includes the provision of gambling and betting services, such as casinos and online betting services.
	Sports, recreation, amusement	This includes the provision of sports, amusement, and recreation services, such as fitness centres and amusement parks.
<b>Services - Other</b>	Membership organisations	This includes the provision of membership organization services, such as professional associations and labour unions.
	Repair of computers and goods	This includes the repair of computers, personal, and household goods, such as electronics and appliances.
	Other personal services	This includes the provision of other personal services, such as pet care and laundry services.
<b>Household Activities</b>	Domestic personnel	This includes the provision of household services, such as housekeeping and gardening services.
	Domestic goods and services	This includes the provision of goods and services by private households for their own use, such as home gardening and food production.
<b>Extraterritorial Organisations and Bodies</b>	Extraterritorial organizations	This includes the provision of services by extraterritorial organizations and bodies, such as foreign embassies and consulates.
