## Fixed Rate ISA – Issues 320 and 321

Royal Bank  
of Scotland

### Deposit your money for a fixed term, with fixed interest rates and tax-free savings

This Information Sheet sets out the key information you need to know about your account. It should be read together with the *Fixed Rate ISA Terms* and forms part of our agreement with you. Please keep it for future reference.

### Summary Box

Account name	Fixed Rate ISA			
What is the interest rate?	Issue number	1 Year issue 320	2 Year issue 321	
	Balance	AER/Tax-free p.a. (fixed)		
	£1,000 – £24,999	4.2%	4.3%	
	£25,000+	4.2%	4.3%	
Interest is paid at these fixed rates from the date you open your account until the Maturity Date. This means you'll earn one rate on your entire account balance.				
Interest is calculated daily and paid annually to your ISA on the first business day in April and on the Maturity Payment Date.				
Can Royal Bank of Scotland change the interest rate?	No, the interest rate is fixed. This means that the rate will not change between the date you open your account and the Maturity Date.			
What would the estimated balance be at maturity based on a range of deposits?		Deposit at Start Date	Balance at Maturity Date	Interest earned
	1 year (Issue 320)	£1,000	£1,042.00	£42.00
		£25,000	£26,050.00	£1,050.00
	2 year (Issue 321)	£1,000	£1,087.85	£87.85
		£25,000	£27,196.23	£2,196.22
These are only examples and do not take into account your individual circumstances, or any interest earned prior to the Start Date.				
How do I open and manage my account?	<b>Eligibility</b>

<b>Can I withdraw money?</b>	<p>You can withdraw money from your account (in branch or by telephone) until 9 June 2023 at 3.30 pm. Partial withdrawals are not permitted after this time.</p> <p>If you want to make a withdrawal after this time and before the Maturity Date, you must close your account by giving written notice to your branch. An Early Closure Charge will apply, except in the event of your death.</p> <p>The Early Closure Charge will be the lower of the amount of interest earned on your account or 90 days' interest. The Early Closure Charge will be deducted from the balance of your Fixed Rate ISA.</p> <p>The total amount you receive (including interest earned on your balance) will be no less than your deposit at the Start Date. For example, if you have earned 50 days' interest you will only be charged an Early Closure Charge equivalent to 50 days' interest. If you have earned 100 days' interest you will only be charge an Early Closure Charge equivalent to 90 days' interest. For more information on closing, please see the Fixed Rate ISA Terms (Term 8).</p> <p><b>Transferring your ISA</b> You can transfer your ISA to another ISA manager. If the transfer is <b>before</b> the Maturity Date, we'll convert your ISA to an Instant Access ISA and an Early Closure Charge will apply. If you want to transfer your ISA without incurring an Early Closure Charge the transfer must be dated at least the day after the Maturity Date, when your money is accessible.</p> <p><b>Maturity of your ISA</b> On the Maturity Date (or if the Maturity Date is not a business day the next business day), we'll convert your account to an Instant Access ISA. You'll be able to access your money on the Maturity Payment Date. Please see Term 5 of the Fixed Rate ISA Terms for more information.</p>																		
<b>Additional information</b>	<p><b>Tax</b> The interest payable on the money held in your account is tax-free. The tax treatment may be subject to change in the future and depends on your individual circumstances.</p> <p><b>Definitions</b> <b>Annual Equivalent Rate (AER)</b> This is a notional rate used for interest bearing accounts, which illustrates the interest rate if paid and compounded each year. It helps you to compare the effective rates of credit interest on different accounts.</p> <p><b>p.a.</b> Per annum (per year).</p> <p><b>Tax-free</b> Interest which is exempt from UK income tax.</p>
