

Payroll Solutions

Affordable solutions for your payroll requirements, irrespective of size or complexity.

Payroll Solutions

Our selected supplier for the provision of payroll services is Moorepay. Moorepay is part of the Northgate Information Solutions group, which pays – through its software and services – nearly one in three of the UK working population. This means you can have confidence that you are working with the largest payroll and HR solutions provider in the UK.

Moorepay has been providing payroll and human resource services since the mid-1960s, during which time they have built a considerable pool of knowledge and experience which is always at your disposal.

Payroll solutions can provide you with:

- accurate staff payment, on-time, every-time
- updated systems for fast-changing legislation
- fast, responsive payroll service and assistance
- Tax Year End administration, including electronic filing with the HMRC
- P11D production
- revenue and third-party payments, if chosen
- integrated HR systems.

Moorepay can offer your company an affordable solution to your payroll requirements, irrespective of size or complexity – providing you with true peace of mind.
