# The way we bank is changing

With the ease of mobile and digital banking fewer people are coming into the bank. This means we've had to make some tough choices about which can stay open. So, we want to make sure that we keep the branches people are using most.

Across the bank we have seen.

Average counter transactions reduced by **68%** between January 2019 and January 2024

The number of customers using mobile apps increased by **53%** between January 2019 and January 2024

Measurement in both graphs is millions

More than

# 182

million mobile and online transactions were processed in 2023

## Our responsibility to you

We completely understand that digital banking isn't right for everyone. Sometimes you want to chat things through with someone. We promise that you'll still be able to talk to one of our team either on the phone, by video or in one of our other branches.

We've put together this leaflet to guide you through the changes, but if you've got any questions at all just ask one of our team.

They'll be on hand to help you find ways you can bank that best suit your needs. We're also here for anyone who'd like help in getting started with digital banking or our app. As well as short, easy-to-follow How To videos, we run online classes over Zoom. You'll find everything you need to know on our website [rbs.co.uk/digitalbanking](https://www.rbs.co.uk/digitalbanking). (And there are some handy fraud and scam awareness tips too.)

We also have Customer Support Specialists that are dedicated to helping customers who need more support.

## How we decide to close a branch

Closing a branch is always difficult and not a decision that we ever take lightly. A branch closure decision involves us looking at several different criteria, including:

- the likely impact on customers. How often customers use the branch – and the transactions they’re making.
- their banking preferences.
- where the nearest branch and nearest cash machines are.
- is there a local Post Office® for everyday banking?
- all the other banking options: Digital, Mobile, Telephone and Video Banking.

## In Holts Farnborough, we saw:

Comparing January 2019 and January 2024, counter transactions for personal customers have **decreased by 99%**

In 2023 **70%** of personal customers using the branch also chose to use Digital Banking or our mobile app

- **0** personal customer(s) used the branch weekly in 2023

- **0** business customer(s) used the branch on average monthly in 2023

Please see the Glossary on page 13 for personal/business customer usage and counter transaction definitions.

# Royal Bank of Scotland Holts Farnborough will permanently close from 15 October 2024

## How we've communicated this closure to customers

In line with the Financial Conduct Authority's guidelines, we took a range of factors into account before deciding to close this branch. You can read about these on pages 4 and 5 of this factsheet.

After speaking to our branch colleagues, we wrote to all branch customers to tell them about the closure, including other ways they could bank with us and where their nearest branch, ATM and Post Office was. We understand that closing a branch can be difficult for some people so we always give customers at least 12 weeks notice of closure to allow them time to consider their options.

The notice of closure was also reinforced with a poster displayed in the branch which stated the closure date. In addition, we got in touch with customers who use the branch and those who may need extra support, to see what we could do to help. We've been able to offer advice on the easiest ways to bank in the local area. And we've also been able to help those who want to get started with Digital Banking.

## How we've engaged with the local community

After we announced the closure, we spoke to key members of the local community to help us understand the impact that closing the branch could have.

**The individuals and groups that we notified were:**

Leo Docherty MP

Step by Step - Launch

Councillor Marina Munro

Guildford Citizens Advice Bureau

The Zone!

Retirement Lease Housing Association (RLHA)

Farnborough Foodbank

Beaumont Village

The feedback we received from customers, community members and organisations was welcomed. We received 451 enquiries\* and 2 complaint(s)\*\*.

### **This is what you told us:**

Customers were concerned about their ability to conduct their day-to-day banking transactions. We were able to reassure customers that all banking details will stay the same, including account number, sort code, standing orders and Direct Debits, as well as being able to continue using any existing pay-in and cheque books.

Business customers were concerned about the provision of facilities for local businesses, particularly around access to cash and night safe facilities. We were able to alleviate concerns by advising of alternative ways our business customers can continue to bank, including the local Post Office.

Customers were concerned about changes to their account details and the location of the nearest branch. We provided information on what the change will mean for customers and advised of the alternative ways to bank including the local Post Office.

\* An enquiry is any question that can be answered at first point of contact.

\*\* Any oral or written expression of dissatisfaction, whether justified or not, about the provision of, or failure to provide, a financial service or a redress determination, which alleges that the customer has suffered (or may suffer) financial loss, material distress or material inconvenience.

**Please note, the number of enquiries and complaints are combined with Holts Farnborough and NatWest Farnborough North.**

## **We're still here to help**

Even though the branch is closing, we are still here to help you. There are other ways you can do your everyday banking detailed on page 10. However, if you'd like to ask us anything or you need extra support, please get in touch with our dedicated Customer Support Specialists on **0131 380 6528**, (Relay UK **18001 0131 380 6528** or International **+44 131 380 6528**).

**Remember there will be no change to customer account numbers, sort codes, standing orders, direct debits, cards, PINs or cheque books.**

# Business customers

Whilst you can use any of our Royal Bank of Scotland branches, you can manage your accounts and payments 24/7 with Bankline or Digital Banking. Alongside our digital offerings, we have various cash solutions to meet your needs.

To find out more speak to your normal bank point of contact or visit [rbs.co.uk/business/ways-to-bank.html](https://www.rbs.co.uk/business/ways-to-bank.html). Fees apply to some business services.

## Banking at the Post Office

Did you know that you can use your debit card to check your balance, withdraw and pay in cash at the Post Office? You can make cheque and cash deposits with a barcoded credit slip and you can withdraw up to your daily card limit (or £500 max). You can also deposit cash but note that limits apply. Business customers can do all this and can register to use our change giving service. This lets you swap notes for coins, or higher notes for £5 notes. Your point of contact at the bank will be able to fill you in.
