# Client Deposit Manager

## An instant access account that lets you manage third-party funds

Our Client Deposit Manager allows you to hold monies that belongs to your clients in a separate account. The service allows you to set up separate accounts for each of your clients or run a single account for all your client funds, and also helps you comply with regulatory obligations.

### Your needs

Businesses that manage funds on behalf of clients need to be able to keep monies segregated in a way that is traceable and auditable.

This can be time consuming and cumbersome in terms of the paperwork required.

Furthermore, the accounts need to be held securely but identified and monitored easily.

### Our solution

Our Client Deposit Manager is an instant access account designed to help you efficiently manage third party funds on behalf of your clients.

### Benefits.

- Set up separate accounts for each of your clients or run a single account for all your client funds.
- Helps you to comply with your regulatory obligations
- Gives you instant access to funds and pays a managed rate of credit interest

### Considerations

- Suitable for firms that manage third-party funds or need to segregate non-business funds in a ring-fenced account, provided they meet our eligibility criteria”
- This account should be used for third-party funds only
- This account is available in GBP only
- We review interest rates regularly and may change them from time to time (60 days notice given)
